## Features

The entertainment you love - all in one place  
Google TV organizes movies and TV shows from all of your favorite services into a single screen.  
Find your next favorite, based on your favorites  
Get personal recommendations based on the content you enjoy.  
Do more on your TV with the voice remote  
Ask for a specific title or search by mood, genre, actor, and more.  
No switching apps - just watching  
Google TV organizes all your content - across all your streaming services - on one screen. So it's easy to find what to watch.  
Get personal recommendations  
Find your next favorite based on your subscriptions, viewing history, and content you own.  
Get more at the right price  
When you search for a show or movie, find out if it's included in your services, or compare prices on other ways to watch.  
From the small screen to the TV  
Cast from thousands of compatible Android and iOS apps directly from your phone, laptop, or tablet. And mirror your Chrome browser tab to your TV.  
Watch your favorites with your voice  
Press the Google Assistant button on the included remote to ask Google to find movies, shows, or music.  
Plug-in, stream on  
Chromecast works with almost any TV with an HDMI port. Just plug it in, connect to Wi-Fi, and start streaming.  
Check what's going on around your home  
Watch your Nest Cam feed right on your TV.  
Pump up the sound  
Group Chromecast with your Nest speakers or displays to fill your home with sound. Then control them by using your voice or the app.  
Breathe life into your TV  
Upgrade your TV and help keep waste out of landfills.  
So much to watch, so easy to find  
Sit back and enjoy the movies, shows, and music you love.
