

SL-450000-BK

JAZZ USB Charger - for PS4, black

The JAZZ USB Twin Charger will charge your wireless PS4® gamepads quickly and reliably. The compact charging station is powered directly by the console or any other USB port (at least 500mA) – such as on your PC or notebook. The device can charge up to two DUALSHOCK®4 controllers at the same time, and will keep them securely in place thanks to its robust construction and non-slip base.

Features

- Charging station for original PS4® gamepads
- Stable standing
- Compact design
- Convenient clip-on system
- Charge via the console or any USB port
- Simultaneously charge up to two DUALSHOCK®4 controllers
- Practical LED status indicators

RRP: 14.99 EUR
