PRODUCT DESCRIPTION

The BISSELL® SpinWave® + Vac Pet Select Cordless Hard Surface Cleaner offers a dust-free mopping experience, vacuuming dry debris from hard floors with powerful cyclonic suction while you mop.

Designed for pet-friendly homes, the SpinWave® + Vac boasts powerful cyclonic suction that effortlessly collects pet hair, crumbs, and dirt into its dry tank for a dust-free mopping experience. Equipped with Spinning Mop Pads and a fresh cleaning solution, it scrubs away sticky messes and muddy paw prints from all hard floors, including wood and laminate. Its versatility shines through offering three cleaning modes: Vacuum Only, Wet-Mop Only, or the convenient Vacuum & Mop combo for a timesaving, thorough clean.

Enjoy up to 70 minutes of cordless freedom in mop-only mode. The lay-flat design and edge cleaning capabilities allow you to tackle any mess under low furniture and along edges effortlessly. With automatic water and solution delivery, you can count on optimized cleaning performance every time. Plus, the included Natural Multi-Surface cleaning solution Pet (236ml) effectively removes everyday dirt while leaving your floors clean and your home smelling fresh.

When you're finished cleaning, maintenance is easy—simply empty the dry-only dirty tank and toss the washable mop pads in the laundry.
