

Logitech Zone 300 wireless headset

Zone 300 is the essential wireless headset with great audio that gives you the freedom to move and stay connected while working or just listening. Dual noise-canceling mics and enhanced speakers mean you can hear and be heard clearly. Plastic parts made with a minimum of 42% recycled plastic*.

*Excluding printed wiring assembly (PWA), cables, and packaging.

WHAT'S IN THE BOX

- - Zone 300 Headset
- - USB-C to USB-C charging cable
- - User documentation

FEATURES

- **Headset With Noise-Canceling Mic:** Dual beamforming mics on the extended boom with noise-canceling algorithms suppress background noise in homes and shared workspaces for clear conversations
- **Impressive Audio:** Embedded 30 mm dynamic audio drivers with customized fine-tuned diaphragm patterns to deliver clear audio for calls and other listening options
- **Freedom to Move:** Move freely about your home or office with this Bluetooth headset with microphone; wireless range of up to 30 m (98 ft) (2); seamlessly switch between computer and phone
- **All-Day Usage:** Get all-day battery life; up to 20 hours of listening time and 16 hours of talk time on a full charge; add up to 1 hour of talk time with a 5 min quick charge (3)
- **Extra Comfort:** The comfortable, lightweight design (just 122 grams or 4.3 oz), enlarged earpads, and padded headband of this Logitech wireless headset make all-day use possible
- **Make Your Logitech Headset Yours:** Customize your headset's firmware with the free Logi Tune app (1); download the app to adjust sidetone, mic level, and EQ for a personalized audio experience
- **Replace Your Earpads as Needed:** Replaceable earpads extend the life of the headset (available for purchase separately)
- **The Logitech Zone 300 Bluetooth Wireless Headset is certified carbon neutral and includes certified post-consumer recycled plastic (Black: 55%, Off-white and Rose: 42%) (4)**

(1) Logi Tune is available on Windows, macOS, iOS, iPadOS, and Android. Download Logi Tune at logitech.com/tune, the Apple App Store, or Google Play store.

(2) Open field line of sight. Wireless range may vary depending on the operating environment and computer setup.

(3) Up to 20 hrs listening time and 16 hrs talk time. Battery life may vary based on user and computing conditions.

(4) Zone 300 plastic content: 42% recycled plastic for Rose and Off-white, 55% for Black, excluding printed wiring assembly (PWA), cables, and packaging.

(5) Device basic functions will be supported without software for these operating systems. Check Logi Tune compatibility on logi.com/tune.
