

Smart and powerful projector

- **Bright & High-Contrast Image:** 300 ANSI lumens and 2000:1 contrast
- **HD Quality & 4K-Ready:** Sharp images and crystal-clear details
- **Portability:** For mobile operation with an external power bank
- **Auto Keystone & Trapezoid Correction:** Automatic image alignment
- **Wireless Screen Mirroring:** Wireless streaming for Android and iOS devices
- **Android OS 9:** Install apps directly and conveniently stream your favorite content
- **Versatile Connections:** HDMI, USB, 3.5 mm audio, WiFi 6, and Bluetooth 5.0
- **Flexible Projection:** Image size from 1 m to 4.5 m for any room setup

Technical Data | Page 1/2

Processor model	Quad-rora ARM Cortex-A53,CPU+ Mali-450 MP2 GPU
Operating system	Android OS 9
Power	45 W
Projection ratio	16:9 / 4:3
Throw Ratio	1.2 : 1
Projection size	1 m bis 3.8 m
Light source	LED
Lamp Life	>30,000 hours
Matrix size	1920 x 1080 (native Full HD)
Supported resolutions	1080p , 4K*
Brightness	300 ANSI
Contrast	2,000:1
Keystone rectifier	Auto keystone
Focus	Auto focus
Speaker	1x 10 W
Noise level	< 37 dB
Internal storage	8 GB
Supported Audio File Types	Mp3, m4a, aac
Supported Document File Types	TXT
Supported Photo File Types	JPEGm BMP, PNG
Supported Video File Types	avi, mp4, mpg, mkv, mov, dat, vob, rm, rmvb
